Comments
very committed
Very clear!
Alice is amazing.
Alice has been so generous with her time and intellect. She is always available and is quick to respond to emails. Her section
slides and the additional exam review material/session she held were crucial to helping me study. She had the tough task of
teaching us after metrics on mondays after we were already brain fried, but she diligently tried to explain what was going on and
was careful to scan the faces in the room looking for confusion. Alice has been excellent.
